ACTION REQUIRED	For passing to 66th MIG at your discretion		INDEXING CAN BE JUDGED BY QUALIFIED HQ DESK ONLY

REFERENCE(S)

STUT 9226, dated 29 July 1960

Headquarters files reflect the following traces on Subject:

a. EGSA-7340, dated 17 July 1951: Requested Headquarters traces on Walter DOMES, born 21 November 1900 in Preran, Mahrn, of German parents; graduated from schools in Olmütz and Leipzig before volunteering and serving one year with Austro-Hungarian Army. Thereafter taken into Czech Army, given military training and assigned there until released on 1 May 1945 with the rank of lieutenant colonel. From September 1948 to 31 March 1951 he worked for STEU (Staatlichen Erfassungsgesellschaft). Since April 1951 he has held a subordinate position with Omia, k.g., Munich 2, Prannerstr. Married, 5'7", stocky, brown eyes, smooth shaven oval face, graying hair. Lives at Dachau-Ost 20/7a. Intention is to use him as a translator, and perhaps interrogator. Has had no previous IS experience.

b. MEKW-10559, dated 13 September 1951: No Headquarters traces.

c. EGSA-992 (undated): 66th CIC Identity Request Number 66-21-53, dated 27 March 1953: Subject, an official of the Sudetendeutsche Landsmannschaft in Munich, is presently under investigation by this Group to determine his suitability for employment. Subject reportedly was employed by an American sponsored organization known as "EVO" (Headquarters Note: UPHILL). Subject allegedly terminated his employment with this organization when the chief, one Josef MEKE, died in 1952. It is requested that your office indicate if Subject is known to or associated with your organization.

d. EGSA-3791, dated 26 May 1953: (reply to EGSA-992) DOMES is former UPHILL member; used alias Daniel WILDOLF, born 21 November 1900 in Pressburg, CSR; has now been dropped and UPHILL does not recommend that CIC establish contact with him. UPHILL states that Subject is indiscreet and produced virtually nothing; he is described by his associates in Sudeten German circles as being a "universal Schmeisser (babbler)."

e. EGSA-0865, dated 16 July 1953: Transmitting list of dropped agents and informants, including Subject, alias Walter DRABA, and alias Daniel WILDOLF (sic), dropped in April 1953 without prejudice.

f. EGQA-75972/3: Enclosed request for name check from 7050th Air Intelligence Service Wing (USAFE) dated September 1956 on Subject. Frankfurt Station replied that he had been dropped by USANBUR.

25 August 1960
